

# Help your customers buy their dreams today

Customers can buy now and pay later in four easy, zero-interest installments.

"Not everyone has tons of money stashed in their bank accounts and we can only buy what we can afford. Well Payflex has totally changed that for me. I have my side hustle that generates cash weekly and using Payflex I can now afford to purchase clothing, Tech, and appliances."

- Ravishkar, Hello Peter Review

## Zero interest and all the accessibility

- Customers get access to four interest-free payments, allowing them to make bigger purchases
- Increased purchasing power means an increase in average cart size

## Pricing that adapts to your business

- Payflex simply charges a per-transaction fee on successful transactions only
- Get in touch to discuss every detail with complete transparency

## Immediate access

- Customers apply for an account on the Payflex site and get instant approval
- No wait time means fewer abandoned carts

## Covers your risk with FlexiAdvance

- You get your full payment upfront
- We handle missed payments with no stress on you
- No documentation needed, fixed cost of funding, no additional fees
