

Big purchases — small payments

ZeroPay let's your customers pay in three easy interest free instalments

ZeroPay
ZERO FEES. ZERO INTEREST.

"In today's fast paced and ever changing retail environment, give your customer's a risk free, interest free payment option while increasing your sales."

- ZeroPay

ZeroPay interest and all the accessibility

- Customers get access to interest-free payments, allowing them to make bigger purchases
- Increased purchasing power means an increase in average cart size

Immediate access

- Customers apply for an account on the ZeroPay site and get instant approval
- No wait time means fewer abandoned carts

You get paid with ZeroPay

- You receive the full amount of the purchase upfront. ZeroPay handles any missed payments by the customer — no risk to you
- You can use ZeroPay when you need it with no fixed terms

Pricing that's customized for you

- No fixed fees — only pay per transaction
- Transaction fees adapt to your business, depending on average basket size, transaction volume and your e-commerce platform
